In this Newsletter:

1. Earthquake Engineering Review Workshop for faculty of engineering colleges (IIT Kanpur, 26-30 April 2004)
2. Short courses to be conducted under NPEEE during 2004-2005
3. IBC awards for excellence in built environment 2003
4. Call for proposals under Programme of Cooperation with Poland, Mexico, Peru and Russia from DST, Govt. of India
5. World Trade Center Building Performance Study
6. Recommendations on Bridge and Tunnel Security
7. Seminar on Performance Based Earthquake Engineering and Seismic Retrofit of Structures, 22-25 March 2004, Brooklyn, NY
8. "International Congress on Computational Mechanics and Simulation (ICCMS-04)" during 9 - 12 December 2004 at IIT Kanpur.
9. National conference on material and their application in civil engineering. 26-27 August 2004, NIT Hamirpur

Details:

1. Earthquake Engineering Review Workshop for faculty of engineering colleges (IIT Kanpur, 26-30 April 2004)

    A review workshop is being organised for faculty members from engineering colleges across India at the National Information Centre of Earthquake Engineering, IIT Kanpur during 26-30 April 2004 under the National Programme on Earthquake Engineering Education. The details of the same can be obtained from www.nicee.org/npeee/Teacher's_Workshop2004.pdf

2. Short Courses to be Conducted under NPEEE during 2004-2005

    NPEEE is organising a number of short courses for the faculty members of engineering colleges at the seven IITs and IISc Bangalore. Some are open to professionals from industry. To view the list of short courses to be held at the seven IITs and IISc, please visit www.nicee.org/npeee/shortcourse_2004-2005.htm

3. IBC Awards for Excellence in Built Environment 2003

    Indian Buildings Congress is giving awards for the excellence in built environment. The entries complete in all respects should reach IBC latest by 15 March 2004. For more details contact:
    Shri. R. Subramanian
    Honorary Secretary
    Indian Buildings Congress
    Sector VI, R. K. Puram,
    New Delhi 110 022
    Phone: 26169531, 26170197
    Fax: 011-26196391

4. Call for Proposals under Programme of Cooperation with Poland, Mexico, Peru and Russia from DST, Govt. of India.

    To know the details about the proposals please visit www.nicee.org/News/DST_Circular29.htm

5. World Trade Center Building Performance Study

Federal Emergency Management Agency (FEMA) has published a report on the study of the performance of buildings at the WTC site. The report is now available to download at www.fema.gov/library/wtcstudy.shtm

6. Recommendations on Bridge and Tunnel Security

A report on recommendations on bridge and tunnel security against terrorist attacks is available in PDF format at the web site of Federal Highway administration (FHWA), USA at www.fhwa.dot.gov/bridge/security/brptoc.htm

7. Seminar on Performance Based Earthquake Engineering and Seismic Retrofit of Structures, 22-25 March 2004, Brooklyn, NY

ASCE metropolitan section infrastructure group is organising a seminar on Performance Based Earthquake Engineering and Seismic Retrofit of Structures, 22-25 March 2004, Brooklyn, NY. More information on the event is available at http://sections.asce.org/metropolitan/tech_groups/infrastructure.html

8. International Congress on Computational Mechanics and Simulation (ICCMS-04)" during 9 - 12 December 2004 at IIT Kanpur

Indian Association for Computational Mechanics (IndACM) in Collaboration with Indian Institute of Technology Kanpur announces "International Congress on Computational Mechanics and Simulation (ICCMS-04)" during 9 - 12 December 2004 at IIT Kanpur.
For more details visit http://www.iitk.ac.in/iccms04/

9. National Conference on Material and their Application in Civil Engineering, 26-27 August 2004, NIT Hamirpur

National Institute of Technology Hamirpur (HP) is organizing a National Conference on Materials and Their Application in Civil Engineering during August 26-27, 2004. The last date for submission of abstract is 25th march, 2004. For more details Visit www.nicee.org/News/MACE-2004.pdf
